

Industrial Tour Organized by
Shri B. M. Shah College of Pharmaceutical Education and Research, Modasa
(August 17, 2011)

Report

Shri B. M. Shah College of Pharmaceutical Education and Research, Modasa had organized an industrial visit for B. Pharm Semester – III students on 17th August, 2011 at Kalol. Journey started at 6:30 am for Gandhinagar and enjoyed natural beauty and took tasty breakfast.

Reached at Lincoln Pharmaceutical Ltd., Khatraj at 10:30 am., two representative and I/C manager introduced about the status of company in market, future goal and different manufacturing zone for tablets, capsules, ointment, dry syrup etc. Working process of various machines for solid dosage forms like; Rapid Mixer Granulator (RMG), Fluidized Bed Dryer (FBD), Automatic Tablet coater, Double Cone Mixer, Rotary Press and Capsule filling machine, Filling and sealing machines for dry syrup powder, ointment, cream (30 - 100 gm capacity). Labeling and Packaging technology for all the dosage forms of company were also observed. The lady in charge in Quality control department had also introduced us about stability testing; various instruments used in quality testing procedure and overall ideals about raw material handling and testing. Students finished industrial visit at 2:00 pm and had delicious lunch at Science city.

Visited science city at 4.00 pm, where we enjoyed 3D movie “Harry Potter”, Galaxy exhibition and Cosmic science show. After enjoying dinner students started return journey and reached college campus, Modasa at 10:30 pm.

Industrial Visit – BMCPER, Semester III B. Pharm Students
